

THE CHALLENGE OF SMART CITIES IN IRELAND

1st Annual Conference of the All Ireland Smart Cities Forum

Prof. Brian Donnellan, Vice President International Affairs
Maynooth University

The All-Ireland Smart Cities Forum

The All-Ireland Smart Cities Forum is a community-of-practice focused on the advancement of cities deployment of, and value creation from, smart programmes.

It is characterised by practitioners with a common sense of purpose who agree to work together to solve problems, share knowledge, cultivate best practice and foster innovation.

The All-Ireland Smart Cities Forum

• Principles

The main principle of the forum is to be citizen focused. This principle will be central to all objectives and tasks originating from the forum.

• Objectives

The primary objective is a cooperative forum for the advancement of cities deployment of, and value creation from, smart programmes.
